

# JGP Seminar

Prof. Christine K. Luscombe

Materials Science and Engineering Department  
University of Washington, USA

*“Maximizing electronic and ionic transport properties of semiconducting polymers through the interplay of polymer morphologies”*

Date: Sept. 20 (Fri.), 2019

Time: 1:30 pm – 3:00 pm

Place: A2-307, Katsura Campus

連絡先: 高分子化学専攻 大内 誠(内線: 桂2600)、JGP化学系オフィス(内線: 桂2878)
